BIO

Through her work and leadership as founder and principal consultant at Scarlet Communications, Jacqueline trains individuals and aids organizations with developing and refining important leadership, business and executive presence skills. Her international work with Fortune 500 companies, community organizations and non profits provides an opportunity to align internal corporate leadership values with the expectations and outcomes of employees, increase confidence and provide an organizational competitive advantage.

She is a highly sought after speaker, with an expertise in leadership, entrepreneurship, modern etiquette and integrating practical, actionable concepts that cultivate change in approach, perceptions and actions. She is also the author of the book, *Leader by Mistake: Becoming A Leader One Mistake At A Time*.

Jacqueline is committed to supporting and developing leaders at all levels. She is a Board of Director for Plastipak Packaging and a member of 12 Days DC Metro.
